ULTIMATE BACKYARD CRICKET MATCH

Welcome

Grasp the limited opportunity to be a VIP guest at the Governor's Ultimate Backyard Cricket Match. This event is set to be the highlight of the 2021 calendar. Taking place on Saturday 20th of March in the Government House Gardens, we invite you to mingle with past and present Australian Cricket greats as well as local celebrities as they go head-to-head to raise funds for childhood brain cancer research through The Pirate Ship Foundation.

By becoming a corporate partner, you and your guests will have an exclusive space in the Governor's marquee where you will be treated to free flowing food and beverages.

Signage opportunities (including boundary signage) around the ground and throughout the event on the day will also be on offer to further your exposure.

By supporting our event you will be giving children with brain cancer the hope of a cure. Childhood brain cancer kills more Australian Children than any other disease. On average, two children are diagnosed with brain cancer every month in WA. In 2011, my son Conor, was diagnosed with a brain tumour at only five years old. Over the past 10 years, he has experienced vast suffering and irreversible, lifelong side effects. Now, I assist in raising funds for the cause through the Pirate Ship Foundation.

The Pirate Ship Foundation work to support research that will deliver better outcomes and make a significant difference to those children and families affected. The Foundation is proud that in 2019, 90% of funds raised will be made available to the cause, and aim for a similar result in 2020 and 2021.

The Governor Vs Pirates event at Government House would love your support...

The event is also supported by Channel 9 and 6PR, WACA and Colgan Industries as well as many incredibly supportive individuals and businesses in our community.
